Correspondence regarding dog fouling

Dog fouling by a small number of residents remains an issue. The Council discussed the issue and decided that signage and dog poo bins would not solve the problem.

Residents know that to not pick up after their dog is an offence. The signage would spoil the rural feel of the village and the poo bins are too costly and would not be used by the individuals who do not pick up and bag their dogs faeces.

Resolved: To action the Clerk to purchase a CCtv camera that residents can use to monitor areas where dog fouling is an issue.

Co-opted Councillor

An application letter from Kate Brocklehurst applying for the position of Councillor was received and discussed.
